Barbados visa guide for Bangladeshi passport holders

How to apply: Visa status unclear (official 2022 list: visa required) · Last checked: 3 November 2026 · Online version: https://travelcsbd.com/visa/barbados/

We could not read a current official Barbados list for Bangladeshi citizens. A search summary of the Barbados Ministry of Foreign Affairs visa list (August 2022) shows Bangladesh under 'visa required', while several commercial sites say visa-free for up to 180 days. Because the sources conflict, treat a visa as possibly required and confirm in writing with Barbados Immigration before booking. Last checked 3 November 2026.

Quick facts

Visa needed?

How to travel

- Barbados requires entry visas for passport holders of some countries. The Foreign Affairs page links to a country list, but we could not reliably read Bangladesh's entry in a current list. A visa, where required, must be obtained before booking travel and does not guarantee entry; the immigration officer decides at the port.
- Before buying tickets, ask Barbados Immigration (or the nearest Barbados mission) in writing whether Bangladeshi citizens need a visa and what stay is allowed.

Total cost

- Visa government fee, if a visa is required: US$107 single entry or US$211 multiple entry as listed on the Immigration Department visa page (confirm current amount). Airfare, insurance and accommodation are extra. Travel Counsellor Ltd. service charges, if any, are quoted separately in BDT by our office. Checked 3 November 2026.

Partly verified

Transit and connecting visas

- Flights from Dhaka usually connect through Gulf hubs, London, the US or Canada, which may require their own transit or entry visas. Check each country's rules separately.

Things to watch

- The only official list we found (August 2022) is old and we could not read it fully; commercial sites say visa-free. Confirm with Barbados Immigration before booking.
- Fees and the paper-based steps on the visa page may be outdated because the process is now online.
- Do not use dummy tickets or fake bookings.
- Travel Counsellor Ltd. is a private consultancy, not an embassy. Entry decisions rest with Barbadian immigration.
- No approval is guaranteed and rules can change.
