Belize visa guide for Bangladeshi passport holders

How to apply: Visa required; apply at a Belizean mission · Last checked: 4 November 2026 · Online version: https://travelcsbd.com/visa/belize/

The Belize Immigration Department page 'Do you need a visa to travel to Belize?' lists Bangladesh as a country whose citizens need a visa. Its fee page lists a higher single-entry visa fee for nationals of Bangladesh (BZ$750). The 'how to apply' page says people living outside Belize apply at their nearest Belizean diplomatic or consular mission, but it does not name a mission that handles Bangladeshi applicants, and we have not verified any Belizean mission in Dhaka. Processing time is not stated officially. Last checked 4 November 2026.

How to apply from Bangladesh

- The Immigration Department says applicants living outside Belize apply at their nearest Belizean diplomatic or consular mission, using the Visa Form and original documents plus copies. Your signature must match your passport, and documents not in English must be translated by a proper authority and signed.
- The official page does not say which mission accepts Bangladeshi applications. Before sending any money or documents, ask our office or the Belize Immigration Department which mission is responsible.
- A visa does not guarantee entry. Belizean immigration officers decide at the port of entry.

Total cost

- Government fee: BZ$750 for a single-entry visa for Bangladeshi nationals (page fees effective 1 May 2020; the page says all fees are in Belize dollars). The fee page says the fees do not apply to holders of US permanent residence or a US visitor visa. Courier, translation, notarisation and Travel Counsellor Ltd. service charges, if any, are quoted separately in BDT by our office. Checked 4 November 2026.

Transit and connecting visas

- Flights from Dhaka to Belize usually connect through other countries (often the US, Mexico, Panama or the Middle East), which may require their own transit or entry visas. Check each country's rules separately.

Things to watch

- Several third-party sites say Bangladeshis need no visa or can use an e-visa. The Belize Immigration Department list says a visa is required; follow the official source.
- The official pages do not name the mission that accepts Bangladeshi applications. Do not pay an agent for a 'Belize visa' without confirming where it is lodged.
- Do not use dummy tickets or fake bookings.
- Travel Counsellor Ltd. is a private consultancy, not an embassy. Visa and entry decisions rest with Belizean authorities.
- No approval is guaranteed, and fees and rules can change.
