Central African Republic visa guide for Bangladeshi passport holders

How to apply: Embassy visa; security warning, avoid travel · Last checked: 6 November 2026 · Online version: https://travelcsbd.com/visa/central-african-republic/

SECURITY WARNING: the UK government (FCDO) advises against all travel to the whole of the Central African Republic, including Bimbo, Begoua and Coline, except to the capital Bangui, where it advises against all but essential travel (including to Bangui M'Poko airport). There is no British embassy, consular support is severely limited, and travel against FCDO advice may invalidate insurance. For entry, UK advice says a visa is required, applied for through the Central African Republic embassy in Paris, with passport valid at least 6 months after arrival and a yellow fever certificate. We could not open any official Central African page, so fees, processing time and the Bangladesh procedure are marked for confirmation. Last checked 6 November 2026.
