# Eswatini visa guide for Bangladeshi passport holders

How to apply: Visa depends on nationality; evisa.gov.sz or mission · Last checked: 6 November 2026 · Online version: https://travelcsbd.com/visa/eswatini/

Eswatini's official visa portal (evisa.gov.sz) says whether you need a visa depends on your country and that applications are handled at the Ministry of Home Affairs or Eswatini missions abroad; it also has an online application link. The guidelines do not name visa-required or visa-exempt countries, so we could not confirm the rule for Bangladesh from an official page; third-party sites mostly say a visa is needed, with conflicting fees. UK government advice for UK citizens says up to 30 days visa-free, which does not apply to Bangladeshi passports. Fees, documents and processing time are marked for confirmation. ## How to apply

- The Eswatini visa guidelines say entry visa applications are handled at the Ministry of Home Affairs headquarters or at Eswatini missions and representative offices abroad, and the portal evisa.gov.sz has an online application dashboard. We could not confirm whether Bangladeshi nationals can use it, or which mission serves Bangladesh. Contact our office before paying anyone.

## Stay and extensions

- Visits longer than 30 days, or travel to study or work, need a Temporary Residence Permit rather than an entry visa (evisa.gov.sz). Check your passport stamp date at entry; incorrect dates can lead to a re-entry ban (UK advice).
