Guyana visa guide for Bangladeshi passport holders

How to apply: Visa likely needed (confirm with mission) · Last checked: 4 November 2026 · Online version: https://travelcsbd.com/visa/guyana/

We could not open the Guyana Ministry of Foreign Affairs visa-entry page (minfor.gov.gy) on 4 November 2026, because the server refused our request, so we could not confirm the Bangladesh entry on an official page. Most third-party sources say ordinary-passport Bangladeshis need a visa before travel, and a few say no visa is needed; they conflict. Until you have checked with the Ministry or a Guyanese mission, treat the visa requirement, fee, stay and processing time as unconfirmed. Last checked 4 November 2026.

What we could not confirm

- The Ministry of Foreign Affairs publishes a visa-entry list by country at minfor.gov.gy. That page returned an access error for us, and search results only showed part of the list (Albania to Bahamas) plus an entry for Bangladesh diplomatic, official and special passports. That entry is not about ordinary passports.
- Because of this, we do not state a visa rule, fee or processing time as verified. Please ask our office or the Ministry to confirm before you buy any ticket.

Total cost

- No official visa fee was found. Travel Counsellor Ltd. service charges, if any, are quoted separately in BDT by our office once the government fee is confirmed. Checked 4 November 2026.

Transit and connecting visas

- There are no direct flights from Dhaka. Your route will pass through other countries (often the Middle East, Europe, North America or the Caribbean) that may need their own transit or entry visas. Check each separately.
