Haiti visa guide for Bangladeshi passport holders

How to apply: No visa listed; UNSAFE - avoid travel · Last checked: 4 November 2026 · Online version: https://travelcsbd.com/visa/haiti/

SAFETY WARNING: the US State Department has a Level 4 'Do not travel' advisory for Haiti (dated 10 July 2026 in the search result we saw) citing crime, kidnapping, unrest and limited health care, and a national state of emergency. Travel Counsellor Ltd. does not recommend travel to Haiti. On visas, the Embassy of Haiti in Washington lists only nine countries whose citizens need a tourist visa, and Bangladesh is not among them, so Bangladeshis do not appear to need a visa. That page has no date and gives no stay length for Bangladeshis, so most conditions are marked for confirmation. Last checked 4 November 2026.

Quick facts

Visa needed?
The Embassy of Haiti (Washington) tourist-visa page lists the countries needing a visa (Dominican Republic, Panama, Colombia, Cuba, Syria, Libya, Iran, Vietnam, Yemen). Bangladesh is not mentioned, so no visa appears to be needed. The page is undated; confirm before any plan.

Safety first

- Haiti is a very high-risk destination. The US State Department advisory says not to travel for any reason because of crime, kidnapping, terrorism, civil unrest and limited health care. Commercial flights and airport access have been disrupted at times, so getting in and out can be difficult.
- Travel Counsellor Ltd. will not process or promote leisure travel to Haiti. If you must travel for work or family reasons, speak to your employer or sponsor about security arrangements and insurance first.

How to travel

- On the Embassy of Haiti page, Bangladesh is not among the nine nationalities listed as needing a visa. Because this is an absence from a list on an undated page, and third-party sites disagree, confirm with a Haitian diplomatic mission and your airline before booking.
- Direct flights from Dhaka do not exist; you would transit through other countries that may need their own visas. Neither visa-free status nor a visa guarantees entry; immigration officers decide at the border.

Partly verified

Total cost

- Government visa fee: none appears to apply if no visa is needed, but a US$10 fee is paid on arrival by tourists who do not need a visa (embassy page). Travel Counsellor Ltd. service charges, if any, are quoted separately in BDT by our office. Checked 4 November 2026.
