Honduras visa guide for Bangladeshi passport holders

How to apply: Visa likely needed (confirm with consulate) · Last checked: 4 November 2026 · Online version: https://travelcsbd.com/visa/honduras/

We found no official Honduran page (Instituto Nacional de Migración or Foreign Ministry) that we could open and that states Bangladesh's status; the INM site returned a server error and the Foreign Ministry address did not resolve. A national newspaper explains that Honduras issues a 'consular visa' through its consulates and a 'consulted visa' after validation by the INM, and third-party sites mostly say Bangladeshi citizens need a visa. Because nothing is confirmed officially for Bangladesh, the key facts below are marked 'Confirm with our office'. Last checked 4 November 2026.

What we could and could not confirm

- A report in El Heraldo (Honduras) describes two visa routes: a consular visa issued by a Honduran diplomatic or consular official, and a consulted visa, where the INM validates the case and gives written authorisation to apply at a Honduran consulate. Admission is still decided by migration officers at the port of entry. This is a newspaper report, not an official publication, so we mark it as partly verified at best.
- We could not read the official country list or fee schedule, so we do not state fees, stay or document lists as official.
- Do not send money or documents to anyone guaranteeing a Honduran visa; confirm the route with our office or a Honduran consulate first.

Transit and connecting visas

- Flights from Dhaka to Honduras usually connect through other countries (often the US, Mexico, Panama or the Middle East), which may require their own transit or entry visas. Check each country's rules separately.

Things to watch

- One third-party site lists Bangladesh as visa-free for Honduras while most say a visa is required. No official page confirms either; do not book on the visa-free claim.
- Fees, stay length and document lists on this page are not confirmed by an official source.
- Do not use dummy tickets or fake bookings.
- Travel Counsellor Ltd. is a private consultancy, not an embassy. Visa and entry decisions rest with Honduran authorities.
- No approval is guaranteed, and fees and rules can change.
