

Madagascar visa guide for Bangladeshi passport holders

How to apply: Tourist eVisa (evisamada.gov.mg) · Last checked: 31 October 2026 · Online version: <https://travelcsbd.com/visa/madagascar/>

Madagascar's official eVisa platform is evisamada.gov.mg. It states the tourist eVisa is single entry for up to 90 days and that the landing authorisation is issued within 72 hours of validated enrolment. The portal's fee table is labelled 2019 and the site did not load fully for us on 31 October 2026, so fees and Bangladesh eligibility are marked for confirmation.
