Malawi visa guide for Bangladeshi passport holders

How to apply: eVisa (check category) · Last checked: 31 October 2026 · Online version: https://travelcsbd.com/visa/malawi/

Malawi runs an official eVisa portal. It says Category One nationals must get a visa or prior authorisation before departure, while Category Two nationals may get a visa on arrival, but it does not show Bangladesh's category in the text we could read on 31 October 2026. Most third-party sources say Bangladeshis need an eVisa, so confirm with our office before applying.
