# Nicaragua visa guide for Bangladeshi passport holders

How to apply: Consulted visa (Category C) - confirm · Last checked: 4 November 2026 · Online version: https://travelcsbd.com/visa/nicaragua/

News reports on Nicaragua's Disposicion 002-2026 (effective 16 February 2026) say Bangladesh is in Category C, the 'consulted visa' that needs authorization from immigration authorities in Managua before departure. The decree page on the Nicaraguan government site (mint.gob.ni) refused our request on 4 November 2026, so we could not read the list ourselves, and the sources do not name an embassy, consulate or online portal for Bangladeshis. Treat the requirement as partly verified and everything else as unconfirmed. Last checked 4 November 2026.

## What the new rules say

- In February 2026 Nicaragua changed its entry categories for 128 countries. Reports say Category C visas now apply to many countries in Asia, Africa and America, including some that were previously allowed in with a different arrangement. Bangladesh is reported as Category C without any passport-type qualifier.
- Older guides and visa-on-arrival information published before February 2026 may be out of date.
