Sierra Leone visa guide for Bangladeshi passport holders

How to apply: Online eVisa (evisa.sl) · Last checked: 5 November 2026 · Online version: https://travelcsbd.com/visa/sierra-leone/

The Sierra Leone Immigration Department (SLID) directs visa applicants to its official eVisa portal at evisa.sl. The SLID pages we could read give the department's address and phone numbers but no visa fee, stay length, processing time or Bangladesh-specific rule, and the portal itself did not display those details to our checking tool. Third-party sites quote about USD 80 for a 30-day tourist eVisa and 3 to 5 business days, but these are unofficial, so those items are marked for confirmation. Last checked 5 November 2026.
