South Sudan visa guide for Bangladeshi passport holders

How to apply: Online e-visa (evisa.gov.ss); do not travel · Last checked: 6 November 2026 · Online version: https://travelcsbd.com/visa/south-sudan/

SECURITY WARNING: the UK government (FCDO, last updated 25 August 2026) advises against all travel to South Sudan because of armed violence and criminality; Juba airport may close at short notice and consular help is severely limited. For entry, UK advice says a visa is required and can be applied for online through the e-visa portal evisa.gov.ss or through a South Sudanese embassy. The portal states that applicants pay by card and can download the e-visa PDF within 72 hours, but it did not show fee amounts, so fees and the document list are marked for confirmation.
